HOMES

Have your questions answered directly, **by a decision maker!**

Meet our
design
team

For this weekend only, you can meet our estimating, construction and design managers at Homeworld 5 Kellyville. They'll be roving between the Wincrest display homes, meeting the locals and answering any questions you have about building your dream home.

Having a team of experts available onsite means our clients can have their questions answered directly, by the decision-maker. It's just another way we strive to ensure your journey of building a new home is as relaxed and pleasurable as possible.

Date: Sunday 21st February
Time: 10am-12pm
Where: Wincrest Homes
Homeworld 5
35-39 Hartigan Ave, Kellyville

We look forward to seeing you there!
