

Presenting the

30th BIRTHDAY

EXTRAVAGANCE PACK

Celebrate our birthday with this unbeatable offer!

To celebrate 30 fantastic years, Wincrest is offering an incredible deal. For a short time only, pay just \$4,990* and receive our **Extravagance Pack**. It comes bursting with over \$25,000 worth of stunning extras including a ducted reverse cycle air conditioner, 900mm Westinghouse kitchen appliances and much, much more. Superbly appointed with all the luxurious inclusions you already receive in the Ultimate Inclusions range, the **Extravagance Pack** includes:

Air Conditioning*

Stay cool in summer and warm in winter with Actron SRA 173C ducted reverse cycle air conditioning* system. This energy efficient air conditioner will keep the temperature of your home perfect with up to 10 outlets and 2 zones included.

Kitchen Benchtop

Enjoy the exceptional beauty, strength & durability of 40mm pencil edge to 20mm cultured stone benchtop.

Westinghouse Kitchen Appliances

Create memorable meals with Westinghouse kitchen appliances. These quality, solid and reliable appliances include:

- Westinghouse stainless steel 900mm under bench oven
- Westinghouse stainless steel 900mm canopy rangehood
- Westinghouse stainless steel 900mm gas or electric cooktop
- Westinghouse stainless steel dishwasher

Entry Door

Make a great first impression with a wide stain or paint finish timber door (up to 1200mm) selected from the Extravagance range

Internal Cornices

Give your rooms a touch of class with 90mm feature cornices throughout selected from the Extravagance range

Bathroom Accessories

Add the final touches to a stunning bathroom with a shower on rail and handset to all showers

Tiled Shower Niche

A 400mm x 600mm tiled niche to all showers will ensure a place for all your bathroom products.

2 x Double Power Points

Remove the need for double adapters with two (2) x USB double power points.

Downlights

Light up a room with 10 x 9 watt energy efficient internal LED downlights.

3-Phase Meter Box

Ensure the ultimate in power supply to your home with a three phase meter box.
